Save the Date: PASRR Workshop Scheduled for August 18, 2015

The Nevada Medicaid Long Term Support Services program is sponsoring a free workshop entitled "PASRR – Nevada Specific" on Tuesday, August 18, 2015. The workshop will be held from 9 a.m. to 4:30 p.m. in Room 2134 of the Legislature Building, 401 S. Carson St., in Carson City. The event will be led by a guest speaker from the PASRR Technical Assistance Center (PTAC), and will be of interest to anyone who is involved with the Preadmission Screening and Resident Review (PASRR) process, including case managers, social workers, Minimum Data Set (MDS) staff, directors of nursing, and physician and nursing staff. All State agencies are welcome. The workshop will be video-conferenced to the Grant Sawyer Building, 555 E. Washington Blvd., Conference Room 4401, in Las Vegas.

Registration is required. For information or to request a registration form to attend, please contact Cheryl Baldovi at cbaldovi@health.nv.gov.

Please note: This workshop is a general overview of the PASRR program. It is not an HP Enterprise Services (HPES) technical training. Some of the topics that may be presented include the objective, purpose and history of the PASRR program, categories and qualifiers, and specialized services.
